Dads and Doughnuts were the order of the day Feb. 5. Many stayed the "hole" time to read and have a doughnut with Dad. More photos [here](#).

Here are more dads and more doughnuts from Feb. 5 at OES.

Dr. Seuss Spirit Day

Theodor S. Geisel, better known as Dr. Seuss, author of *The Cat in the Hat*, *Green Eggs and Ham*, and *The Sneetches*, was born on March 2, 1904.

March 2 will be Dr. Seuss Spirit Day at OES. Cubs, come dressed as your favorite Dr. Seuss character to honor this one-of-a-kind storyteller.

Props to our entire Special-Education team: Joyce Chirrick, Chelsea McCleve, Deah Daughters, and Linda Hanen.

They do their stuff "by the student and by the standard," teaching kids the skills they need to succeed in life, and helping more kids to test out of Special Ed than in recent memory. You're the Best of OES!

PTA Mission Statement

The PTA at Orem Elementary School will help every child realize his/her full potential and will: **Advocate** - Support and speak on behalf of children and youth. **Involve** - Encourage positive involvement in all facets of a child's life. **Develop** - Assist in developing skills to raise and protect children and youth.

Miss B's Monthly Minute

Love Life!

Here are some inspiring words from Gordon B. Hinckley: "Don't be gloomy. Do not dwell on unkind things. Stop seeking out the storms and enjoy more fully the sunlight.

"Even if you are not happy, put a smile on your face. Accentuate the positive. Look a little deeper for the good. Go forward in life with a twinkle in your eye and a smile on your face, with great and strong purpose in your heart. Love life."

In like manner, I've always been impressed by our wonderful OES community and the positive example you are to those around you.

Thank you for being YOU! Thank you for positively affecting the lives of our OES Cubs!

Keep smiling and love life!

Make it a great day—or not. The choice is yours.

At the OES spelling bee Feb. 11, Collin S., right, took first, and Ashley F., below, took second. Congrats to all!

Love and Logic

OES is bringing back classes on Love-and-Logic Parenting. This method is a way of raising children that teaches them to think for themselves to become responsible and prepared for the real world.

The five-week class will be taught beginning on Tuesday, March 3, from 7 to 9 p.m. in the Media Center. The cost is \$30 for participants for the manual, handouts, and fridgies. There is also a \$20 refundable deposit for use of some materials.

Call (801) 610-8116 to reserve your seat in the class.

Cub Hub: February

During White Ribbon Week, students played Twister to remember to tell a trusted adult if they see something online that makes them feel all twisted up inside.

And Miss Conover's first-graders learned about drawing techniques.
